CA Viva Las Vegas

CA Viva Las Vegas is a fine light bulb font inspired by signage of concert halls of the 70s when Elvis was playing in Las Vegas.

Two different styles (NIGHT and DAY) and four weights based on a layered system give endless design possibilities by using combinations of fonts and colors.

CA Viva Las Vegas has got an extensive character-set including Russian Cyrillic plus the Turkish Lira sign. It's best used in big font sizes.

The Russian Elvis

Элвис Пресли

Элвис Пресли родился 8 января 1935 года в Мемфисе, штат Миссисипи, в семье Артура и Глэдис Пресли (близнецов - Джесс Гарон - умер в младенчестве). Семья Пресли была бедная; положение усугубилось, когда отец будущего певца попал в тюрьму по обвинению в подделке денег (он был освобождён в 1946 году). Элвис с детства рос без религии: не посещал церковь и участвовал в религиозных мероприятиях.
