DESIGNED BY

Stefan Claudius, 2004 & 2014

CA Geheimagent is perfect for setting text about restrictions, or permissions if you prefer. Not quite a text font, not quite a headline font, it's a bit of both. The Italic style break up the strictness of the regular fonts. They are fast and forward and make a perfect mix with the severe upright uppercases. Have a deeper look to see the nice little differences between regular and italic, it's not just the angle! Try to render the font and trash it up a bit. Cut it, paste it – it will survive. Because it has already seen everything since it's origin as a prohibition sign in an industrial harbour.

CA Geheimagent Regular (10/13 pt)

A man without love's only half of a man. But a woman is nothing at all. I'm drinking champagne feeling no pain till early morning. She tries hard to hide. Dining and dancing with every pretty girl I can find. So little expected. Having a fling with a pretty young thing till early morning. Too often neglected, knowing tomorrow I'll wake up with you on my mind. A woman stripped of her pride. Guilty conscience i guess though i must confess. Always so careful not to cry. I never loved you much when you were mine. Until I fall asleep. So I'll keep drinking champagne and feeling no pain till early morning. Then there in the silence. Dining and dancing with every pretty girl I can find. She lies with a tear on her cheek. I'll keep having a fling with a pretty young thing till early morning. A thought comes to mind. Knowing tomorrow I'll wake up with you on my mind. Did I read it sometime? So i'll keep drinking champagne and feeling no pain till early morning. Or hear it, I can't quite recall. Knowing tomorrow I'll wake up with you on my mind.
