Cape Rock is a great anti-boredom display font. Created in 2007 with a super fat Clarendon in mind, it features distinctive forms and stunning details. A huge set of ligatures and swash characters provide for ever new surprises.

Completely revised in 2020, this slab serif typeface comes with harmonized paths, adapted OT features (now with the "swash features") and revised letters, like the Ampersand (&), a new "uppercase German" Eszett (ß), as well as new diacritics for the availability of more languages in the Central and South-European area. Spacing and kerning of the typeface has been redesigned from scratch.

As the icing on the cake there is now also an oblique style. Keep in mind "you shall have no other headlines fonts beside me".

REGULAR (16/20PT)

It was long past the dinner hour and too early for the after theatre crowd. The two men at the table near the door were the only patrons in Luigi's restaurant. They had eaten and were sitting there drinking wine. They drank very slowly and it was plain that they were waiting for somebody because they weren't talking much and had the half bored, half impatient look of people who have nothing to do but wait. At a table near the back of the room the waiter, who seemed to be the only one on duty, sat smoking a black twisted cigar and reading a newspaper. One of the men put his wine glass down and lit a cigarette. Even sitting down he was noticeably shorter than his companion

ITALIC (16/20 PT)

Dan looked toward the back of the room where the waiter was again occupied with his cigar and paper. Maybe they're waiting for the waiter to clear out first, he was thinking. He sipped at his wine, waiting... Then he looked up again. The stout man had almost finished what was on his plate and was taking a long drink from his wine glass. He put the glass down and sat back in his chair. He turned his watery eyes on Dan and nodded his head slowly up and down ... up and down. Dan glanced quickly at Gatti who had his elbow on the table and seemed to be sleepily leaning far over to one side of his chair. Then he nodded his head at the stout man just as the
