CA Zaracusa Wide Light™

Yes, there were times, I'm sure you knew. When I bit off more than I could chew. But through it all when there was doubt. I ate it up and spit it out. I faced it all and I stood tall. And did it my way. The kiss I never got. Somebody else will take. The plans I never made. Somebody else will make. Oh I'm lonely, I'm so lonely. 'Cause it's her I'm thinking of. But she'll always be the girl I never loved. Never loved, never loved. Überfällärtigér Schnällsçhûßiç Yes, there were times, I'm sure you knew. When I bit off more than I could chew.
