

BND

CA BND

Cape Arconas legendary obsession to create a DIN like font substitution brings us to CA BND, named after the German Intelligence Agency. Thomas Schostok created the typeface for the new Corporate Image of the Intelligence Agency. Well, the presentation wasn't very successful because there wasn't any contact person available – everything and everyone is just TOP SECRET. CA BND has got a dangerous functionalism. It's unemotional but if you look at the details you find something emotional that you will learn to love. It's coming in two styles with an alternate letterset.

Dining and dancing with every pretty girl I can find. So little expected. Having a fling with a pretty young thing till early morning. Too often neglected, knowing tomorrow I'll wake up with you on my mind. "A woman stripped of her pride." Guilty conscience I guess though I must confess. Always so careful not to cry.

I never loved you much when you were mine. Until I fall asleep. So I'll keep drinking champagne and feeling no pain till early morning. Then there in the silence. Dining and dancing with every pretty girl I can find. She lies with a tear on her cheek. I'll keep having a fling with a pretty young thing till early morning. A thought comes to mind. Knowing tomorrow I'll wake up with you on my mind. Did I read it sometime? So I'll keep drinking champagne and feeling
